Re: State of Arizona Tanks Solicitation – Solicitation Number SCC060008

Dear Ms. Brenden:

Miller Brooks Environmental, Inc. (Miller Brooks) is pleased to submit this Proposal for the State of Arizona Tanks Solicitation. We acknowledge our familiarization with the scope of work outlined in the General Activities section of the Solicitation. In accordance with the Solicitation, Miller Brooks has provided financial information and insurance capabilities available to Miller Brooks. The attached Professional Services Questionnaire provides information on firm capabilities, experience and key personnel qualifications.

Miller Brooks is committed to assigning appropriately qualified and experienced professionals and support personnel to the State of Arizona. The proposed project team is committed to satisfying the State of Arizona's expectations, including the issuance of quality deliverables, within agreed-upon project schedules, and at or below agreed-upon budgets. Miller Brooks has and will commit both its financial and professional resources to this project.

Miller Brooks believes that it is uniquely qualified to perform the required services for this project. Our belief is based on the following:

- Past experience with State of Arizona Tanks Contract administered by the Arizona Department of Administration;
- Experience with similar projects for both public- and private-sector clientele;
- Experience and qualifications of the proposed project personnel and their familiarity with the scope of work and with federal, state and local regulatory requirements;
- Miller Brooks' proven track record of successful execution of the last Tanks Contract;
- Miller Brooks' experience with working for other State of Arizona entities, including the Arizona Department of Environmental Quality (ADEQ) – Water Quality Assurance Revolving Fund, Arizona School Facilities Board, Arizona Department of Juvenile Corrections, ADEQ Water Infrastructure and Finance Authority, and Arizona Department of Transportation; and
- Overall cost-effectiveness.
